Date: October 6, 2021

Re: Company profile for Timothy J. Arellano, Individual Surety and AGS Subsidiaries

Our 35-year Surety and Insurance experience as direct writers and as an Individual Surety company, principal and founder Timothy J. Arellano of AGS Surety and Subsidiaries along with a staff of 12, have been a power house and strength in the Surety and Insurance industry with a combined written premium of over \$3.2 billion globally. What makes our company unique is with offices based on the West Coast providing Surety and Financial Guarantee's throughout the United States and globally, we also specialize in financial guarantee's and property casualty insurance aspects. As a result, in our business practices and ethics, we have been approved as a direct writer with over 78 of the insurance industry largest insurer's both nationally and globally with complete binding authority.

The extensive experience has allowed our company to establish itself as an industry leader dedicated to quality, safety, and customer service. As recipients and members of several prestigious awards including Presidents Council, Million Dollar Round Table (MDRT), Blue Cross, Toppers, Championship Club, and Trusted Choice, we pride ourselves on building a reputation for our professionalism and integrity.
